A. If Jose Palafox is actively engaged in any investment-related business or occupation, including if Jose Palafox is registered, or has an application pending to register, as a broker-dealer, registered representative of a broker-dealer, futures commission merchant (“FCM”), commodity pool operator (“CPO”), commodity trading advisor (“CTA”), or an associated person of an FCM, CPO, or CTA, we are required to disclose this fact and describe the business relationship, if any, between the advisory business and the other business.

1. If a relationship between the advisory business and Jose Palafox’s other financial industry activities creates a material conflict of interest with you, the SEC requires us to describe the nature of the conflict and generally how we address it.

We have nothing to disclose in this regard.

2. If Jose Palafox receives commissions, bonuses or other compensation based on the sale of securities or other investment products, including as a broker-dealer or registered representative, and including distribution or service (“trail”) fees from the sale of mutual funds, we have to disclose this fact. If this compensation is not cash, we are required to explain what type of compensation Jose Palafox receives. We must explain that this practice gives Jose Palafox an incentive to recommend investment products based on the compensation received, rather than on your needs.

We have nothing to disclose in this regard.

B. If Jose Palafox is actively engaged in any business or occupation for compensation not discussed in response to Item 4.A, above, and the other business activity or activities provide a substantial source of Jose Palafox’s income or involve a substantial amount of Jose Palafox’s time, we are required to disclose this fact and must describe the nature of that business. If the other business activities represent less than 10 percent of Jose Palafox’s time and income, we may presume that they are not substantial.

Mr. Palafox is also involved in providing consulting services to businesses as a business consultant. In his role as a business consultant, he may offer products to Advisor’s clients for which he may receive compensation. Business consulting constitutes 10% of Mr. Palafox’s time.

Item 5: Additional Compensation

If someone who is not a client provides an economic benefit to Jose Palafox for providing advisory services, we are required to generally describe the arrangement. For purposes of this Item, economic benefits include sales awards and other prizes, but do not include Jose Palafox’s regular salary. Any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts should be considered an economic benefit, but other regular bonuses should not.

We have nothing to disclose in this regard.
